## HB 1068

**Short Description:** INS CD-DISCRIMINATION-FELONY

### House Sponsors

Rep. Rita Mayfield-Kelly M. Cassidy and Anne Stava-Murray

### Statutes Amended In Order of Appearance

215 ILCS 5/236

from Ch. 73, par. 848

### Synopsis As Introduced

Amends the Illinois Insurance Code. Provides that an insurer or producer authorized to issue policies of insurance in the State may not make a distinction or otherwise discriminate between persons, reject an applicant, cancel a policy, or demand or require a higher rate of premium for reasons based solely upon the basis that an applicant or insured has been convicted of a felony.

### Land Conveyance Appraisal Note, House Floor Amendment No. 2 (Dept. of Transportation)

No land conveyances are included in House Bill 1068, HA 2; therefore, there are no appraisals to be filed.

### Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

HB 1068, as amended by HA 2, will have no fiscal impact upon any public pension fund or retirement system in the State of Illinois.

### State Debt Impact Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

HB 1068, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

### Fiscal Note, House Floor Amendment No. 2 (Department of Insurance)

If the Department of Insurance is responsible for fielding complaints of rate discrimination or denial, that would require personnel to field such calls. If an investigation of discrimination falls under the scope of the Department of Insurance, that would require personnel time as well. While it is not believed to require a singular dedicated employee, it will require additional hours and the possibility of increased staff depending on the influx of calls and complaints, but the impact is likely minimal.

### Correctional Note, House Floor Amendment No. 2 (Dept of Corrections)

There is no corrections population impact on the Department of Corrections.

### Housing Affordability Impact Note, House Floor Amendment No. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

### Balanced Budget Note, House Floor Amendment No. 2 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 1068, as amended by House Amendment 2 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

### **Judicial Note, House Floor Amendment No. 2 (Admin Office of the Illinois Courts)**

Based on a review of HB1068 as amended by House Amendment 2, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

### **State Mandates Fiscal Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)**

HB 1068 HA #2 does not create a State Mandate under the State Mandates Act.

### **Home Rule Note, House Floor Amendment No. 2 (Dept. of Commerce & Economic Opportunity)**

HB 1068 HA #2 does not pre-empt home rule authority.

## **Statutes Amended In Order of Appearance**

New Act

### **Synopsis As Introduced**

Creates the Firefighter Training Leave of Absence Act. Defines terms. Provides that a State employee shall be granted leave from his or her State employment for firefighter training as follows: (1) on one occasion, for up to 200 hours, to participate in training necessary to obtain Basic Operations Firefighter certification from the State Fire Marshal while attending a State Fire Marshal-approved fire academy; and (2) special or advanced training annually, not to exceed 80 hours, after obtaining Basic Operations Firefighter certification from the State Fire Marshal for courses that will lead to additional certification by the State Fire Marshal. Provides that, during leaves for basic, special, or advanced training, the State employee shall continue to receive his or her regular compensation as a State employee, but, if the State employee receives compensation for basic, special, or advanced training, the State employee shall receive his or her regular compensation as a State employee minus the amount of his or her compensation for basic, special, or advanced training. Provides that a State employee who wishes to obtain a leave of absence under this Act shall request in advance for the leave of absence and may take the leave of absence only after obtaining approval from the State employee's agency.

### **Senate Floor Amendment No. 1**

Provides that a leave of absence may not be denied to a State employee who requests leave under the Act and who has provided notification of the leave at least 14 calendar days prior to the requested leave date. Provides that a State employee who provides less than 14 calendar days' notice of the leave may be denied leave if the State employee's agency demonstrates that the leave would create a health or safety hazard in the workplace. Provides that, if the leave is denied, written notification must be provided to the employee within 24 hours after the employee's request for leave. Provides that, once the leave has been approved, approval for the leave may not be rescinded.

### **Pension Note (Government Forecasting & Accountability)**

Under SB 1611, as engrossed, state employees who avail themselves of a leave of absence for firefighter training will continue to receive compensation, and thus, pensionable service credit in SERS for such periods of leave. The bill states that the employee's agency can reduce his or her compensation by the amount the member is paid for the training; thus, SERS states that situations may arise where members may wish to purchase "earnings credits." The SERS Article of the Pension Code requires members wishing to establish earnings credits to pay to SERS an amount equal to the employee contribution based upon the rate of compensation paid immediately prior to the leave, plus interest at the actuarially assumed rate, from the beginning of the leave of absence to the date of payment. Under current law, an employee who receives no compensation during a leave of absence may establish service credit in SERS by paying the aforementioned amounts, plus the employer's normal cost for the period of the leave. Inasmuch as state employees would be compensated during firefighter training leaves of absence under SB 1611, and thus would not be required to pay the employer's normal cost for the period of the leave, there would be a very minor fiscal impact upon SERS commensurate with the number of state employees who avail themselves of such periods of leave.

### **Fiscal Note (Dept. of Central Management Services)**

SB 1611, as engrossed, will have a fiscal impact to CMS but this impact cannot be identified at present. The maximum time allowance for training is approximately 37 days. CMS cannot gauge the participation this would generate in the state. There is the obvious loss of productivity and expertise from the employee's absence that will need to be compensated for through overtime, temporaries, etc.. Finally, it will take some time and additional resources to develop and effectuate rules for the Act and allow for software and programming changes.

### **Land Conveyance Appraisal Note (Dept. of Transportation)**

No land conveyances are included in Senate Bill 1611; therefore, there are no appraisals to be filed.

### **State Debt Impact Note (Government Forecasting & Accountability)**

SB 1611, as engrossed, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

### **Balanced Budget Note (Office of Management and Budget)**

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1611, as amended by Senate Amendment 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a

balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

**Housing Affordability Impact Note (Housing Development Authority)**

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence and will not impact the cost of housing development in the state of Illinois.

**Judicial Note (Admin Office of the Illinois Courts)**

The legislation will not increase or decrease the number of judges needed in the state of Illinois.

Provides that for Tier 2 firemen, final average salary is the greater of (1) the average monthly salary obtained by dividing the total salary of the fireman during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period or (2) the average monthly salary obtained by dividing the total salary of the fireman during the 48 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period (currently, the final average salary is the average monthly salary obtained by dividing the total salary of the firefighter during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period). Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

**House Floor Amendment No. 1**

Provides that for Tier 2 firemen, final average salary is the greater of (1) the average monthly salary obtained by dividing the total salary of the fireman during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period or (2) the average monthly salary obtained by dividing the total salary of the fireman during the 48 consecutive months of service within the last 60 months (instead of 120 months) of service in which the total salary was the highest by the number of months of service in that period.

**Pension Note (Government Forecasting & Accountability)**

SB 1629 would have a significant fiscal impact on the Chicago Fire pension fund. An actuarial study would be needed to assess the long-term cost. According to the Chicago Fire Pension Fund's 2021 actuarial valuation, the fund had \$5.6 billion in unfunded liabilities, with a funding ratio of 20.9%.

### **Synopsis As Introduced**

Amends the Abandoned Newborn Infant Protection Act. Replaces all instances of "child-placing agency" or "child placing agency" with "child welfare agency". In provisions concerning the Department of Children and Family Services' State Central Registry of child welfare agencies willing to take legal custody of relinquished newborn infants, provides that within 3 business days after accepting a referral from the Department, the child welfare agency shall file a petition for custody and request that the agency be given the authority to place the infant in an adoptive home, foster home, child care facility, or other facility appropriate for the needs of the infant. Prohibits filing or appearance fees for the petitioner. Provides that any issued custody order shall grant the child welfare agency the authority to make medical and health-related decisions for the infant. Provides that any infant who receives emergency or medical care under the Act shall be deemed presumptively eligible for medicaid assistance under the Illinois Public Aid Code. Provides that any health care provider or child welfare agency that provides medical services to an infant under the Act shall send all bills related to those medical services directly to the Department of Healthcare and Family Services for reimbursement. Makes conforming changes to the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to submit for federal approval any waiver application or State Plan amendment as may be necessary to implement the presumptive eligibility provisions of the amendatory Act. Further amends the Abandoned Newborn Infant Protection Act by requiring a fire station or emergency medical facility that accepts a relinquished infant to inform the infant's parent of the name and location of the hospital to which the infant was transported if the parent returns to reclaim the infant within 30 days (rather than 72 hours) after relinquishing the infant. Amends the Immunization Data Registry Act, the Illinois Parentage Act of 2015, and the Adoption Act by replacing instances of "child-placing agency" or "child placing agency" with "child welfare agency".

### **Senate Committee Amendment No. 1**

Further amends the Abandoned Newborn Infant Protection Act. In a provision setting forth the purpose of the Act, restores language providing that the Act is intended to provide a mechanism for the parents of a relinquished infant to remain anonymous if they choose.

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Further amends the Abandoned Newborn Infant Protection Act. In a provision concerning a relinquished newborn infant under the temporary custody of a hospital, provides that the hospital shall provide all available medical records and information to the Department of Children and Family Services and the child welfare agency that has accepted the referral of the infant. Removes a provision making relinquished infants presumptively eligible for medical assistance under Article V of the Illinois Public Aid Code. Provides that if the person who relinquished or a person claiming to be the parent of a newborn infant (rather than the parent of a newborn infant) returns to reclaim the infant (rather than child) within 30 days after the infant was relinquished to a fire station, emergency medical facility, or police station, then the fire station, emergency medical facility, or police station must inform such person (rather than the parent) of the name and location of the hospital to which the infant was transported. Requires a hospital, police station, fire station, or emergency medical facility that accepts a relinquished infant to offer the relinquishing person information about the relinquishment process and other information. Provides that the failure to provide such information or the failure of the relinquishing person to accept such information shall not invalidate the relinquishment under the Act. In a provision concerning relinquished infants eligibility for medical assistance under Article V of the Illinois Public Aid Code, requires a hospital to complete and submit an application for medical assistance on behalf of a relinquished infant and permits the Department of Healthcare and Family Services to adopt rules. Makes changes concerning searches of the Illinois Putative Father Registry, petitions for return of custody, and other matters. Defines "parent", "biological parent", and "birth parent". Removes amendatory changes made to the Medical Assistance Article of the Illinois Public Aid Code concerning presumptive eligibility under the medical assistance program for relinquished infants.
